

# Advanced Open Water Diver

The **Adventures in Diving** program is based on the premise that diving is a means to explore other interests. Once comfortable with basic skills, divers want to conquer new tasks, see different creatures, journey into diverse environments and experience new adventures. The Adventures in Diving program is key to the success of any Continuing Education program.

## New Skills:

- Deep Dive
- Underwater Photography
- Peak Performance Buoyancy
- Wreck Dive
- Navigation and so much more ...
