

CONTINUING EDUCATION

SSI ADVANCED OPEN WATER DIVER

Become more comfortable in the water and more confident with your personal diving skills. This course will further your underwater experience and give you a deeper understanding of the underwater world through fun and relaxed learning. You get more independent from your Instructor.

If you are not sure yet which specialty courses you would like to do, this will be the right course for you!

You will have the chance to try out 5 different specialties during the Advanced **Adventurer Program**. You will complete one open water training dive per specialty in order to get a better understanding for each specialty area.

You can choose to complete all or just a few of your selected specialties later through a Specialty Course by completing the second dive and finishing all academic requirements. Choose your preferred Specialty areas and continue your adventure right after your Open Water Diver Program!

You can choose four from the following list of **Specialties**:

- Deep Diving
- Wreck Diving
- Navigation*
- Perfect Buoyancy*
- Diving with NITROX *
- Underwater Photography*
- Boat Diving *
- Diving with Computer *
- Search / Rescue*
- Drift Diving

* Minimum Age: 12 years.

Once completed, these dives can be credited towards their corresponding SSI Specialty Courses.
