

## SSI SPECIALTY COURSE: **BOAT DIVING**

"BOAT DIVING is not just diving from a boat - it is your guarantee for a successful and relaxing first diving holiday!"

Most of the diving you will do while on vacation will take place from a dive boat.

In your BOAT DIVING SPECIALTY COURSE you will learn the right boat diving techniques, how to choose the right travel agency and diving operator when planning your vacation, what to consider when traveling with your Total Diving System.

Taking a BOAT DIVING program prior to your vacation guarantees you will be ready.

If you want to learn more about BOAT DIVING, you can buy the manual or the DVD even if you don't want to sign up for the course.
