

## INSTRUCTOR **CROSSOVER COURSE**

The purpose of the SSI Instructor Crossover course is to prepare a current & active Scuba Instructor from another diving agency to teach their first SSI course, covering the history & philosophy of SSI & the teaching methodology of the SSI Total Teaching System.

Academic & In water presentations ready the candidate for using the integrated teaching system that truly sets SSI apart. With workshops on scheduling a decision making rounding the program out, each new SSI Instructor, whatever their level will have the skills to enable them to teach. Giving them everything they need to know.

When crossing over into the SSI system you will automatically crossover from your current Instructor level to the SSI equivalent.

The SSI Open Water & Advanced Open Water Instructor Crossover Course is conducted over 2 days after completion of the home preparation kit. Including all materials, content & requirements of the SSI Open Water Instructor rating; allowing the graduate to be able to conduct & certify all entry level SSI programs, core continuing education programs & limited specialty programs dependent on current Instructor certification, with the addition of skills & knowledge required to teach SSI Specialties including the Science of Diving Specialty. SSI Advanced Open Water Instructor is the first level within the SSI system with the ability to teach the SSI Dive Guide & SSI Dive master, workshops on teaching SSI professionals & evaluation techniques are also included in this program.

## **Prerequisites:**

- minimum age: 18 years
- logged dives: 100; min. 24 dives in the last 12 month
- active Open Water Instructor or higher with another scuba training organization and no ethics action taken or currently pending with any other scuba training organization.
- certified as Rescue Diver or equivalent
- submit proof of CPR & First Aid training within the last 24 months
- valid certification
- current diving medical statement!
- own equipment

Before the crossover program starts, we will sit down and look at your current experience and decide on which level we will be able to cross you over for SSI. Remember we need written proof of your experience and rating, like a list of your professional credentials and course breakdowns. Any specialties that you already hold with another organization will be automatically crossed over as well.

**Price:      18.000 THB**

The course price include the multilinguale Instructor Kit – electronical version – and the SSI membership for the current year

(rates of SSI charges may vary)

**Duration:    2-3 days**

On the first day you will learn about the SSI system, the Training Standards, teaching philosophy and SSI's Online Divers Network. We also go over the several courses within the SSI system and look at their materials and Course Standards.

On the second day we do a confined session where we practice some SSI skills. We go over the Specialty programs, the Quality Assurance process and there is a final exam.
