

Liveaboard on MV Lapat

With daily transfers to and from the liveaboard boat the MV Lapat, we offer a very flexible 2 days / 1 night liveaboard trip. Join the MV Lapat on the day of your choice and dive the best sites that the Similan and Surin Islands have to offer.

You will collect from your hotel in the morning and transfer you to the MV Lapat via speedboat, the Nawanoppa. During the day there are two dives before the speedboat returns to land. Once the speedboat has departed there will be fewer people on board which makes for a more relaxing atmosphere to enjoy the late afternoon and sunset at the islands. There is also the opportunity for either a sunset dive or a night dive. On your departure day, you can experience a refreshing early dive before returning on the Nawanoppa later in the day, arriving back at your hotel approximately 5:30 pm.

We're doing 4 dives a day at 7:00 am, 10:30 am, 1:30 pm and 5:00 pm. After the Speedboat transfer, our customers arrives on time for the second dive of the day. Return to the mainland is after the third dive, the next day. So, you're doing 6 dives during a 2 days / 1 night trip.
