

# Liveaboard on MV Camic

The **MV Camic** is a woden hull liveaboard design 27m in length. Currently, the boat offers two cabin choices: Master cabins (double bed) or Twin bunk bed cabins. All cabins are en-suite with hot showers and air-conditioned.

The **MV Camic** offers dedicated dive safaris - no change of guest in between. This ensures the entire boat remains dedicated to its liveaboard customers. If you like relaxing and enjoyable dive trips then the 4D/4N trip will ensure you see all the best sites in both the Similan and Surin National parks in a nice relaxed environment.

With only 7 cabins (maximum 14 guests) the **MV Camic** is never overcrowded.

Each evening, depending on your anchorage, the motor dinghy is available should you wish to explore one of the (now deserted) nearby beaches.

The **MV Camic** offers an upper deck indoor lounge with a full entertainment center, plus a spacious sundeck. The main eating and seating area are where all the meals are served, delicious Thai dishes and western food.
